
THE DURBIN PERFORMANCE: JUDICIARY CHAIR PLAYS COP WHILE HIS OWN VOTES BURN THE PRECINCT

Senate Judiciary Democrats post a clip of **Dick Durbin** thundering against the Trump administration for dismantling fraud prosecution units. Bondi disbanded crypto crime teams. The Consumer Protection Branch dissolved. Tax division gutted. Public Integrity Section neutered. Durbin's punchline: "Want to root out fraud? Start at the top of the Administration itself."

This is another **stooge performance**. Durbin is not fighting corruption. He is performing the *appearance* of fighting corruption while his own record—and his committee's total failure to address the real crimes—remains untouched.

THE CAST OF CHARACTERS

Name	Role	Real Allegiance
Dick Durbin (D-IL)	Senate Judiciary Committee Chair, Majority Whip	AIPAC recipient, voted for every Israel aid package, confirmed every Trump judicial nominee who shielded Israeli interests
Pam Bondi (R-FL)	Attorney General	Issued Day-1 FARA memo neutering enforcement against AIPAC/ADL; confirmed by Senate (including Durbin's vote)
The Judiciary Committee	Senate body with oversight of DOJ, FARA, and federal courts	Has held zero hearings on AIPAC's unregistered foreign agent status, zero hearings on Axonius/Unit 8200 federal embeds, zero hearings on FARA Unit starvation

THE DURBIN PERFORMANCE

What He Says	What He Omits
"Bondi disbanded crypto crime teams"	**Durbin voted to confirm Bondi** after her Day-1 FARA memo was public knowledge. He could have blocked her. He didn't.
"Consumer Protection Branch dissolved"	The same Congress that Durbin leads cut funding for enforcement while increasing the IRS budget to audit poor Americans.
"Tax division gutted"	Durbin voted for the **GENIUS Act** (anonymous drafters, stablecoin debt trap) which enriches BlackRock, Vanguard, State Street—all with deep Israeli ties.
"Public Integrity Section neutered"	**The Public Integrity Section has never once investigated AIPAC.** Durbin, as Judiciary Chair, has subpoena power. He has never used it.
"Start at the top of the Administration"	**Start at the top of Congress.** Start with the 535 members who voted for NDAA Section 864, who confirmed Bondi, who stripped citizen protections (H.R. 4213), who passed anti-BDS laws criminalizing speech.

THE JUDICIARY COMMITTEE'S RECORD OF SILENCE

Under Durbin's leadership, the Senate Judiciary Committee has:

Never Held a Hearing On	Why It Matters
AIPAC's FARA violations	AIPAC spends $100M+ per cycle unregistered. Legal opinions say they meet the threshold. Durbin does nothing.
Axonius contracts in 70+ agencies	Unit 8200 founders control federal endpoint visibility. Durbin never subpoenas.
Unit 8200 alumni in U.S. tech	1,400+ veterans in Google, Microsoft, Amazon. Durbin never asks.
Pam Bondi's FARA memo	She neutered enforcement. Durbin confirmed her anyway. No hearings since.
The Gold Card program	EO 14351 auctions citizenship to Israeli intelligence alumni. Durbin silent.
NDAA Section 864	Mandates "deeper integration" with Israeli defense industrial base. Durbin voted yes.

THE DURBIN COMICITY

Durbin's record is not clean. He is not an outsider fighting the machine. He is **inside the machine, pretending to fight it**.

Durbin Vote	Consequence
Confirmed Pam Bondi	Bondi neutered FARA, protected AIPAC, stonewalls Epstein files. Durbin put her there.
Voted for NDAA Section 864	Enabled Axonius (Unit 8200 founders) in 70+ federal agencies.
Voted for every Israel aid package	$47.3 billion since October 2023, despite Symington/Glenn violations.
Voted for the Antisemitism Awareness Act	Codified IHRA definition, weaponized Title VI against 60 universities.
Voted for anti-BDS laws	Criminalized boycotts of Israel, First Amendment violations.
Voted to confirm every Trump judicial nominee	Courts now dismiss challenges to EO 14203 (ICC sanctions) and EO 14188 (Title VI censorship).

THE PSYCHOLOGICAL GAME

Durbin is playing **substitute gratification**. He cannot actually fight corruption—that would require investigating AIPAC, defunding Axonius, repealing NDAA Section 864. So he performs a fight he *can* win: attacking a Republican administration over process issues.

What He Pretends	What He Avoids
"I fight for accountability"	Accountability for **Ehud Barak's 30 island visits**? Never mentioned.
"I defend the rule of law"	The law is **FARA**. He refuses to enforce it against AIPAC.
"I protect consumers"	Consumers are being surveilled by **Axonius** (Unit 8200). He never asks.
"I oppose corruption"	Corruption is **AIPAC's $100 million pipeline**. He takes their money.

THE SYNTHESIS

Durbin's speech is **theater**. The real crimes are:

- **AIPAC's unregistered $100M pipeline** buying Congress
- **Unit 8200 founders** controlling federal endpoints via Axonius

- **NDAA Section 864** mandating "deeper integration" with Israeli defense
- **Pam Bondi's FARA memo** legalizing foreign influence
- **The Gold Card program** auctioning citizenship to Israeli intelligence alumni
- **Ehud Barak's 30 island visits** and the Mossad honey trap never investigated

Durbin will never mention any of this because:

- He took AIPAC money.
- He voted for NDAA Section 864.
- He confirmed Bondi.
- He is Judiciary Chair and has done nothing.

"Want to root out fraud? Start at the top."

Durbin is right. Start at the top of Congress. Start with **Durbin himself**. Start with the 535 members who voted to transfer sovereignty to a foreign pariah state while Americans starve.

This is the containment operation. While you watch Durbin "hold the administration accountable," the infrastructure of capture—Axonius, AIPAC, NDAA 864—keeps running. He is not fighting the machine. He is part of it.

The only question left: will you keep watching the performance, or will you act?
